SUICIDE'S BODY BURIED

A.S. Parmer, of the Thornberry neighborhood, was a caller at the Times office today. W.S. George, the man whose body was found yesterday, was employed by Mr. Parmer. The body was buried within a few feet of the spot where it was found last night after it had been viewing by the Coroner and the Sheriff of Clay County.

Mr. Parmer says that the dead man had been acting very queerly for some time and there is but no doubt that he committed suicide.

A dollar and a half was found in a wallet on his body and some money was found in a suit case in his room at Mr. Parmer's house.

The body is so badly decomposed that burial on the spot where it was found was necessary.
