UNIDENTIFIED BODY IS FOUND IN RIVER

Remains of Apparently Young Man Discovered This Morning Near Cemetery

HOME IN SMITH COUNTY

Letters in Pockets of Clothes On Bank Bore No Names - Cause is Not Known

The body of a young man apparently about 20 years of age, was found floating in the Wichita River this morning near the cemetery, its appearance indicating that death occurred about a week ago. The remains have not been identified.

About 9 o'clock this morning some one found a man's clothes on the Wichita near the slaughter pens and notified Sheriff Walkup, who went up to investigate. It was but a short time before that the body was found floating near the shore a short distance from the bluff upon which the cemetery is situated.

Squire Brothers went out and held an inquest, but it is impossible to determine whether the drowning was accidental or with suicidal intent. Two letters were found in the pockets of the clothes. One was dated June 17th, signed by "Mamma" from Oma, Smith county, Texas. "Dear Boy" was the salutation, there being no envelope. The other was dated June 18, and addressed to "Dear Bob" and signed "Luelia." These letters contained merely local gossip and there was nothing in either of them to indicate any trouble.

The deceased was about five feet five inches in height, smooth shaven, with straight black hair. The clothes were neat, but badly worn. The remains were somewhat decomposed when discovered.

In one of the letters was written, "If you go to Oklahoma, be sure to go and see Aunt Betty. She lives near Walters."

There was nothing in the letters or in the clothes to reveal the young man's identity, but it is not believed that there will be any difficulty in establishing it after the authorities at Omen have been communicated with.

Later - Advices from Smith count at 3:15 this afternoon indicate the young man's name to be Robert Collier. The authorities cannot get Omen by phone, but have telegraphed.

MRS. HOUSTON HODGES VICTIM OF FATAL BURNS

News was received in Wichita Falls Saturday afternoon on the tragic death at Frederick of Mrs. Houston Hodges, the daughter in law of Judge S.H. Hodges, formerly of this city. Mrs. Hodges met her death by burning, as a result of a kerosene explosion on her husband's farm, about ten miles from Frederick. She used coal oil to start a fire in the kitchen stove for dinner and some live coals ignited it, the explosion followed. Almost

enveloped in flames, Mrs. Hodges ran from the house, her cries attracting the attention of her husband and his cousin, Walter Palmer, who were at work on a new house near the old one. Houston Hodges jumped from the roof of the house to go to his wife and the fall and excitement resulted in his fainting before he could reach her. Mr. Palmer managed to extinguish the flames, tearing Mrs. Hodges clothes from her, but too late to prevent her being burned horribly. Her death occurred Friday afternoon. She had been married only six weeks when the accident occurred and this makes the tragedy an exceptionally regrettable one. She was eighteen years of age.

The sympathies of the family's many friends in this city have been extended to the bereaved ones, all of whom were well known in this city. Mrs. M.C. White and Piner Avis of this city attended the funeral, which took place Saturday afternoon.

WILLIAM R. BROWN OF THIS CITY IS KILLED IN RAILROAD WRECK NEAR PUEBLO, COLORADO

News was received here at 1 o'clock this afternoon of the death at, or near Pueblo, Colo. of William R. Brown, a well known young man of this city, who has been in Colorado several weeks on a pleasure trip.

The particulars of his death are lacking, it being known, however, that he was killed in a wreck. The news was wired by a Pueblo bank to Cashier P.P. Langford of the City National Bank, who notified the young man's parents, Mr. and Mrs. Harry Brown, who reside on 6th street between Indiana and Ohio. Both father and mother were almost prostrated by the news.

William Brown was about twenty-four years of age, and has lived in this city all of his life. He was an electrician by trade and was a member of the local union, which, with the Eagle lodge here, will probably take charge of the remains.

"I was expecting him home soon," said Mrs. Brown. "He told me when he left that he was coming back soon to see the airship at the Fair. I did not want him to go to Colorado at all."

Harry Brow, father of the young man, was almost prostrated when he learned the sad news, and is reported to be in a serious condition this afternoon. The intelligence came as a complete shock to both the parents.

There are no particulars of the wreck and it is not known how the young man came to his death. He was well liked in this city and his untimely end is deeply regretted. The sympathies of the entire community are extended to his bereaved parents.

We wish to express our sincere gratitude toward the good people of Wichita Falls who so willingly and with such kindness rendered assistance during the illness and at the death bed side of our beloved mother.

Nothing would thrill us with a sweeter beatitude than to be allowed the pleasure of taking each of you by the name and personally expressing this gratefulness. Heaven is rich with choice blessings for such people and when the "grim monster" steals in your home, which some day is sure, may you find those who are as ready to respond as you so willingly did in this, the most solemn and saddest hour of our lives.

Thanking you again from the depth of souls which know no bounds in the feeling of gratefulness, we beg to be.

Respectfully yours,

MISS NARRIE JAMES
